2 September 2025

Dear Parent/Guardian

September Holidays Structured Consultation Schedule (11th and 12th September 2025)

The school will be conducting the Structured Consultation programme on 11th and 12th September 2025 for graduating class students. Please refer to Annex A for the schedule.

As your child/ward has just sat for the Preliminary Examination, we will be using this time for revision so that he/she will have a better awareness of his/her strengths and areas for improvements. Your child/ward is encouraged to use the rest of the holidays wisely to close learning gaps.

Students reporting to school should be in full or half school uniform (school polo T-shirt with skirt/pants) and proper school shoes.

Thank you.

Yours sincerely,

Mr Lee Thuan Sim
Principal
