## MANAGING YOUR WELL-BEING

How have you prepared yourself emotionally when receiving your results? Here are some tips that may help:

- Sleeping well
- Practising deep breathing
- Exercising
- Spending time with family

- Talking with friends, teachers, parents/guardians, School Counsellor/Education and Career Guidance (ECG) Counsellor

## BEING A SUPPORTIVE FRIEND

Look out for your friends who may be feeling down. If you see someone who needs some support, try C.H.E.E.R.ing them on!

### Calm them down

"Hey, let's sit down and take a step back ok?"

### Hear them out

"I am listening.  
I am here for you."

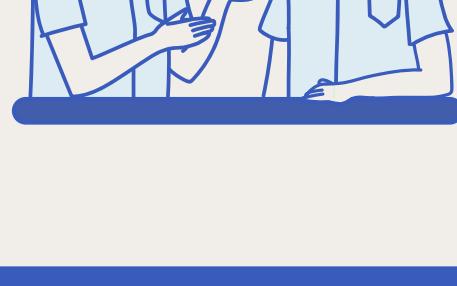

### Empathise with them

"It seems like this is a difficult time for you."

### Encourage seeking help

"Thanks for sharing. Why don't we speak with a trusted adult who can help?"

### Refer to a trusted adult

"Would you like me to go with you to talk to our teacher or School Counsellor?"
