Dear Parents/Guardians

2026 WEIGHTED ASSESSMENT SCHEDULE FOR SEMESTER 1

1. Throughout the year, students' learning progress is monitored through Weighted Assessments (WAs) and the End-of-Year Examination. These assessments provide feedback on students' learning and help the school plan appropriate academic support. The results from these assessments are also used to calibrate academic load for students. WAs are conducted each term in the form of class tests or alternative modes of assessment.
2. The WAs in Term 1 will be conducted during curriculum time starting from **Week 5**, while the WAs in Term 2 will commence from **Week 4**.
3. A **Memorandum on Dishonesty and Malpractice during Weighted Assessments (Annex A)** and the **Weighted Assessment Schedule (Annex B)** are appended for your reference. Please take some time to go through the memorandum together with your child/ward. A copy of the schedule is also available on the school website at:
<https://www.hougangsec.moe.edu.sg/assessment/>
4. We would like to highlight the following points:
 - a) Make-up sessions will only be conducted for students who miss the WAs due to official school commitments such as representing the school in competitions.

Make-up sessions will take place on the following Monday from 3:15pm to 4:00pm. Should a student need to sit for a second make-up session, it will be held from 4:15pm to 5:00pm.
 - b) Students who are absent with valid reasons such as medical leave will not be required to do the make-up session. Marks for the affected subject(s) will be prorated when the overall results for the year are computed.
 - c) Students on suspension are expected to report to school to sit for the WAs.
 - d) Students who are absent from the WAs without a valid reason will be awarded zero marks.
5. As partners in education, we seek your cooperation in motivating your child/ward to study diligently and achieve his/her personal best for the WAs.
6. Should you require any clarification, please indicate **Attn: HOD/MTL** in your email to hougang_ss@moe.edu.sg.

Thank you.

Yours sincerely

Mr Lee Thuan Sim
Principal
